# top 10 organic beauty products

Concern for our body and the environment has forced many consumers to linger in store aisles searching for beauty products made from natural and organic ingredients. Reading labels, asking employees, doing research at online – it's no small task to find safe, quality products. Look no further. We've compiled a list of products proven to be great for you and the environment.

## 1 fight odor.

Fighting body odor doesn't require applying harsh chemicals to your skin. Tom's of Maine sells deodorants that contain all-natural ingredients. The innovative company has become a green manufacturing facility with a reputation for creating quality, eco-friendly products. Available at *B-Alive in Ashwaubenon*, \$5.27.

## 2 soften skin.

Moisturize and soothe your skin by rubbing on a bit of body butter. Trillium Organics Organic Body Butter is handmade from certified organic cold pressed oils, pure grade essential oils, certified organic botanicals and purified minerals. Available at *Streu's Pharmacy / Bay Natural*, \$20.

## 3 mineral eye shadows.

Mineral make-up has emerged as the latest beauty trend. See what all the excitement is about by experimenting with mineral eye shadows. Larenim's eye colors are made from 100 percent minerals and contain no talc, dyes, oils or chemicals that commonly irritate skin. Enjoy long-lasting color from one of Larenim's more than two dozen shades. Available at *Streu's Pharmacy / Bay Natural*, \$8.95.

## 4 start with a healthy base.

Finding the perfect hue of foundation is easy when you have 16 shades to choose from. Zosimos Botanicals has a mineral foundation to match every skin tone; the line is free of parabens and other toxins. The company handcrafts an exclusive line of green mineral make-up. Available online at [www.zosimosbotanicals.com](http://www.zosimosbotanicals.com), \$30 for foundation jar; \$50 for dispensing brush.

## 5 pucker up.

Add some shine to your lips with hydrating natural lip gloss from Burt's Bees in shades of Pucker Berry, Sweet Pink, Zesty Red and Nectar Nude. The products are made from 100 percent natural ingredients. Available at *Walgreens*, \$6.99.
